

Regulations for Use of LAE Marina Dock Spaces

- Use of the LAE Association owned dock space is intended for LAE members who do not have lake/river property.
- Members who had a dock space the previous year will receive first priority to their same dock space.
- If you had a dock space the previous year, you must contact the chairperson by email at laemarina@netzero.net to request the link to the online form.
- All forms must be completed and submitted no later than April 1 of the upcoming boating season.
- All requests for dock space will be checked with the Secretary/Treasurer to verify applicant is in good standing regarding the payment of their dues. If dues were not paid by the deadline of December 31 of the fiscal year the application will be denied and the dock space will be given to the first eligible person on the waiting list.
- All boats with an assigned dock space must be at their respective dock by July 1, unless you have notified the chairperson that you will be late in putting your boat at the dock due to repairs or other circumstance. The dock space will then be assigned to the next eligible person on the waiting list.
- All docks must be securely anchored to land to ensure when the water is unusually high these docks do not float out of position and potentially cause damage to adjacent boats.

- If you would like to be added to the dock space waiting list, please send an email to laemarina@netzero.net and ask for the waiting list online form. New requests will be handled on a first come, first served basis.
